For workshops from 2027 · Updated October 2026

These terms apply to all Scott Jon group workshops and private tours. They're here to keep things fair and clear for everyone. If anything is unclear, just get in touch before you book.

Booking and payment

- To book, just send an enquiry through the workshop page. I'll get back to you, normally within 24 hours, with the booking details. Your place is confirmed once your deposit is received.
- A deposit of 20 to 25% of the workshop price secures your place. The exact amount is shown on your invoice.
- The balance is invoiced 90 days before the workshop starts and is due on receipt of the invoice.
- If you book within 90 days of the workshop, the full amount is due when you book.
- All prices are in Australian dollars and are plus GST. Any USD amounts shown on the website are approximate only.

Cancellations

If you need to cancel

Please let me know in writing. Email is fine.

- **More than 90 days before the workshop:** full refund of what you've paid, less a change fee of AUD \$500 (about USD \$330).
- **Between 90 and 30 days before:** I'll move you to a future workshop with a credit for what you've paid, less the change fee. Credits are valid for 12 months from the date of the workshop you missed. If the workshop you'd like is full, I'll work with you on another option.
- **Within 30 days:** payments can't be refunded or credited, as it's very hard to fill a place at short notice. If something genuinely unexpected happens, I'll always do my best to work something out with you, but this isn't guaranteed.
- **Changing to a different workshop** more than 30 days out is treated the same way, with the change fee applying.

If I need to cancel

Workshops may be cancelled if minimum numbers aren't met, or because of weather, aircraft availability, government restrictions, illness or other events outside my control. I'll always try to reschedule or find a suitable alternative first. If the workshop can't go ahead, you can choose a full refund of what you've paid or a credit to another workshop.

I'm not responsible for flights, accommodation or other travel costs you've booked separately, which is one of the reasons travel insurance is essential.

Travel insurance

Travel insurance is a condition of joining any workshop. Please arrange cover for cancellation, medical and emergency evacuation from remote areas, and ideally your camera gear too.

World Nomads covers travellers from over 100 countries, and guests from the US can also compare plans on Squaremouth.

What's included

- What's included and not included is listed on each workshop page.
- Everyone has their own room on all group and private workshops, unless you'd like to share.
- Meals are not included. On group workshops we usually eat together, and each person pays for their own.
- Flights to and from the starting point are not included unless the workshop page says otherwise.

Aircraft, accommodation and other providers

Aircraft operators, accommodation and some tour services are provided by third parties. If one of them cancels or changes something, I'll do everything I can to find an alternative, but a like-for-like replacement can't always be guaranteed. Pilots have the final say on flight safety, including passenger weights and seating.

Changes to the itinerary

Aerial photography depends on the weather. The itinerary may change at short notice because of weather, light, access or logistics, always with your experience and safety in mind. Changes like these aren't grounds for a refund.

Fitness, health and safety

- Locations can be remote and rugged, so a reasonable level of fitness is needed. Each workshop page shows its fitness level.
- Please let me know about any health or mobility needs before you book, so I can make sure the trip suits you.
- Please follow the safety briefings from me and the pilots at all times, including when flying drones.

- Outdoor and aerial photography carry some risk. By joining, you accept that risk and take part at your own responsibility, to the extent allowed by law.

Respecting the group

Please treat the group, the people we meet and the places we visit with respect. Anyone whose behaviour is disruptive or unsafe may be asked to leave the workshop without a refund.

Before the workshop

I'll send through a pre-trip guide with the meeting point, what to bring, what to expect and any last-minute updates.

Photos and videos

I may take behind-the-scenes photos and videos during the workshop and use them to promote future workshops. If you'd rather not be featured, just let me know in writing.

Agreement

By paying your deposit, you confirm that you've read and agree to these terms. These terms are governed by the laws of Western Australia.
